*GREAT SOUTHERN Community Park

5-12 Play Area

HIGHLIGHTS

This area is centered around a custom Playcraft Systems Tower, a staggering structure that any kid would want to play on! With the unlimited fun provided by a wide variety of climbers and slides, creativity and laughter are sure to follow.

Twist Tower Play System

Bug-eye lean-out window panels on enclosed tower.
96" super spiral slide.
Extra long tube slide with sky-ports.

Dual Gyro-pod Spinner

Bucket Spinner

*^{**}GREAT SOUTHERN Community Park

5-12 Play Area

HIGHLIGHTS

This space features two large wooden play towers as a high play-value centrepieces. Mixing modern design with classical whimsy through shared materials, packing a lot of vertical play and engaging children in high energy play.

Earthscape Timber Tower 2

Super Spiral & curve slides
Internal and external
climbers galore!

Log Jungle

Kompan Robina Witches Tower

Classic climbers & slides

*² GREAT SOUTHERN Community Park

2-5 Play Area

HIGHLIGHTS

This area is designed with specific features to support early childhood development in a safe, supervised environment. Play activities include lower platform heights, age-appropriate challenges, and a mix of active and passive components.

Little Ones' Play system

Shaded, and easy to climb. Climb tube, two slides, and multiple play panels.

SpinMAX Pod

Musical Instruments

Inclusive Merry-go-round

*^{**}GREAT SOUTHERN Community Park

2-5 Play Area

HIGHLIGHTS

This toddler village may be small and for small people, but it is full of variation and character. Built around simple themes like a Forest Shop or the tantalizingly Wizards Hideaway, the Robinia wood is put to good use in creating this inviting play space.

Kompan Robina Wizard's Hideaway

Shaded benches and table inside
Slide and raised playhouse

Toddler Activity Bench

Snail Spring Rider

Bee Spring Rider

Clover Steppers

Seat Spinner

*GREAT SOUTHERN

Community Park

HIGHLIGHTS

Designed in two phases, this area uses natural elements like logs, boulders, and plants for unstructured play, encouraging creativity, problem solving, and a connection to nature. Incorporate organic materials instead of solely manufactured equipment like slides and swings.

Nature Play Elements

A natural drainage area is reinforced with chunky gravel and boulders.

Grow shrubs and mosses. Logs and rocks are placed to create natural exploration opportunities.

Incorporated Equipment

Earthscapes Songbird play hut/reading nook.
Log crawl-through tunnel.
GRFC climbing rock.

DONOR Area

HIGHLIGHTS

The donor program provides the gift of play with local donor support. Four donor walls are to be placed in a communal area acting as a second entry into the playground area.

The community has an opportunity to provide the gift of play!

Step 1 -Contact Us

Interested in supporting this initiative? Fill out our donation form to get started.

Step 2 - Donor Levels

All donations are welcome. Larger donations receive an acknowledgment plaque.

Step 3 - Acknowledgment

Give us the name(s) you would like displayed.

"Port Community Park Support" is a 501(c)(3) charitable organization as defined by the IRS. No goods or services are provided in exchange.
